Moremi Gorge is situated into the Tswapong hills. It is a source of 5 permanent waterfalls giving rise to scenes of clear water cascading over rocks.

Day 1

Depart Gaborone (10am). We provide packed lunch which will be had on the journey. Expected arrival time at Moremi Gorge 15.00hrs Check in formalities, with the rest of afternoon spent exploring area. There is a bush walk one can take where one will sight animals such as zebras, wildebeest and the like. Later, relax around the camp fire followed by dinner.

Day2

Early breakfast followed by a hike up the Moremi Gorge. This will approximately take 5 to 6 hours depending on fitness levels and whether you want to get to the Vulture colony or just to view the level 4 waterfall. Have snack lunch on the climb. Back to the rooms or camp after, freshen up for sundowners and dinner.

Day3

Depart from Moremi village approx 09.00hrs via Old Palapye. Old Palapye is an important historical site containing artifacts from middle stone age. We find stone walls, rock paintings and remains of a prison. We will also visit the structure of the remains of the London Missionary Society Church, which is still standing, was built between 1891 and 1894.

We then head back to Gaborone arriving at approximately (17.00hrs)
